## **ACKNOWLEDGEMENT.**

This study, with many complexities, and difficulties completed due to the assistance, guidance and encouragement given by all of the following persons, to whom I wish to extend my heartfelt gratitude.

My tutor, Archt. Madura Prematilake, senior lecturer, Dept. of Archhitecture, for guidance comments and criticism, which encouraged me to do this study.

Dr. L.S.R Perera, and Archt. Raveen Gunaratne, Archt. Dilshan Ossen, archt. P. Bogahawatte for valuable comments and unreserved help given to me for the completion of this task... without whose help this could never be a reality.

I offer my heartfelt thanks to my colleagues, Sanjeewa, Nishantha, naleen for their valuable support rendered in completing this task.

And specially Gishan who whole-heartedly prepared the typescripts and assisting in numerous ways to make this success and Chandana for helping me with photographs.

Finally I expressed my deepest gratitude to my Father, Mother, Brother and Sister for their unlimited love, affection and encouragement to make this success.
