Acknowledgement

This study owes much to the assistance and guidance given by all the following; whom I wish to extend my heart felt gratitude to

Dr. Rohinton Emmanuel, Archt Raveen Gunaratna, Archt Channa Daswatta, Archt Vijitha Basnayake, of our academic staff for their inspiration and guidance.

Archt Vidura Sri Nammuni, 5th year master, is remembered with a sense of gratitude for guidance towards a disciplined thinking.

I acknowledge my debt to Archt. Hiranti Wellandawe, for generous help and concern shown through out the academic years.

Archt. Dinali Amarathunga for understanding, and concern regarding the study,

Dr. s.herath of university of Colombo department of social studies for lending books.

I also thank my colleagues, Nuwan, Sumeda, Sarani, Rasika, Aseni and all the friends of Bawana who helped me in various ways.

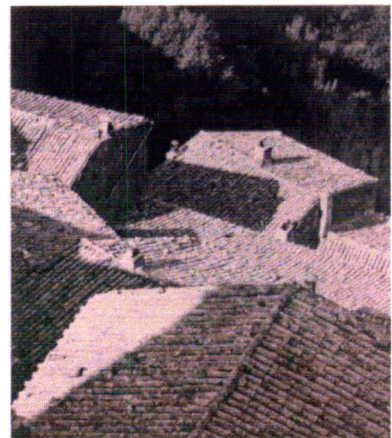

Forward

“Although it be a history, homely and rude,
I will relate the same
For the delight of few natural hearts”

William Wordsworth, A pastoral poem

Abstract	VIII
Introduction	01
Topic explanation	
Need for the study	
Aims and objectives	
Scope and limitations	
Methodology	
Chapter ONE: Instinct and its Spatial Implications	
1.1 Preamble	06
1.2 In harmony: Man as a part of nature	06
1.3 A deviation: the idea of the man made world	07
1.4 The duality of the man made world	08
1.5 Instinct: as a definition of man's innate needs	09
1.5.1 Psychological aspects of the instincts	10
1.5.2 Innate spatial dimension in instinct	11
Chapter TWO: Meaning of Dwelling in Relation to Spatial Needs	
2.1 Preamble	14
2.2 The First "Spatial Experience" of Man	14
2.3 The First "Spatial Expressions" of Man	15
2.4 Man's Dwelling Place	15
2.4.1 "Function" of Dwelling	16
2.4.2 "Meaning" of Dwelling	16

Chapter three: Innate Spatial Needs and their Attributes in Man's Dwelling	
3.1 Preamble	19
3.2 A Need within a Need: Innate Spatial Needs of Man	19
3.2.1 Direct Innate Spatial Implications and their Attributes	19
3.3.1.a A Sense of Place and Attachment	20
3.3.1.b A Sense of Direction and Geometry	20
3.3.1.c A sense of scale	21
3.2.2 Associated Innate Spatial Implications and their Attributes	21
3.3.2.a Building with Attachment	22
3.3.2.b A Sense of Belonging	23
3.3.2.c Refuge and Hide Away	25
3.3.3.d Warmth and intimacy	26
Chapter four: Manifestation of Innate Spatial Needs, a Case Study	
4.1 Preamble	28
4.2 case one: Mauli de Seram House, Archt Vijitha Basnayake	29
4.3 case two: Cinnamon Hill House, Archt. Geoffrey Bawa	32
A conclusion	36
Appendix	38
Bibliography	40

List of figures

Fig.1	Aboriginal children playing with sand	6
Fig.2	A hollowed out tree used as a dwelling	7
Fig.3	A bird nest; building from an innate memory	7
Fig.4	metaphorical rock and sand garden of a Japanese traditional house, an attempt to recreate nature	8
Fig 5	jewelry is a means of sexual attraction it is a substitute for colored body parts and breeding plumage of animals.	9
Fig 6	-do-	9
Fig 7	A central fireplace warms a circular hut and humans, animals and possessions share the space	15
Fig 8	early Chinese ideogram for "shelter": symbols within form the meanings of family, peace, resting place,.....	15
Fig 9	A child's drawing of a house: an expression of the meaning he holds for house.	16
Fig 10	orientation to the landscape by the geometry of the body , by relating the world around us to the geometry of the body man..	20
Fig 11	figures in niches of a church, each one has their own body related shelter	21.
Fig 12	both the niche and the bay window provides a "corner" of body dimension to curl up gives a sense of comfort and Security.	21
Fig 13	making ones own home: home making is a family act , and mud plastering is always confined to women	22
Fig 14	man on earth: "green movement" 1960s united states.	23
Fig 15	a string of lakes in the raft valley, Kenya, taken from Air	24
Fig 16	Natural stone wall rich with texture from a traditional house	24
Fig 17	houses in nature: in association with nature and natural elements	24
Fig 18	-do-	24
Fig 19	man is not perfect: an artist,s cabin at country side.	25
Fig 20	house by Albeto Campo	25
Fig 21	in the verge of designed and non-designed. House by "rural studio" united states.	26

Fig 22	space as a one entangled whole.	26
Fig 23	A sketch drawn by the client of her child hood home	29
Fig 24	Section through rear garden	30
Fig 25	House plans	30
Fig 26	House facade, a unfinished non-designed expression	31
Fig 27	Boundaries between the indoor and out door space	31
Fig 28	Light renderig in textural walls Comfortable Scale: nooks and corners	32
Fig 29	Layout plan of the house.	33
Fig 30	A minimal and humble homestead fading natural coloures making a familiar presence	34
Fig 31	-do-	34
Fig 32	Ambiguity in inside out side special boundary and play of light creating intimate space.	34
Fig 33	House is sensuous pleasure seeking: courtyard bathroom.	35
Fig 34	A garden is a living and changing entity: light and shade creating intimate pleasurable spatial experience.	35
Fig 35	-do-	35
