ACKNOWLEDGEMENT

In the completion of this dissertation, I have derived much guide and help from,

Arct, D. P. Chandrasekara - senior lecturer, Dept. of Architecture
University of Motatuwa.

Arct, presanna Kulathilaka - lecturer, Dept. of Architecture
University of Motatuwa.

To them I acknowledge my obligations and indebtedness.

My grateful thanks due to all the army officers and other rank messing staffs of officer messes that I visited, Sri Lanka army library at Panagoda, Sri Lanka Military Academy library at Diyatalawa, library of the university of Motatuwa and the reading room of the faculty of Architecture, for offering most constructive and valuable information in my study.

I cordially thanks, major Indralal Jayalatharachi, captain Mohan Kumara, captain Janaka Silva, captain Dilantha Fernando, captain Nuwan Amarasena and lieutenant Narada Wanigasingha, staff sergeant Alwis, sergeant Kulasiri, lance corporal Susil Kumara, and my friends, Russell, Neluka, Eroshana and Jagath for their assistance in various ways.

I must thanks to computer operators of the 1st Engineer Services Regiment at panagoda, namely, Champa, Anusha, and Sugath for some typing and editing woks of my dissertation.

I am very grateful to my parents' brother and sister who are always near and dear to me.

M. U. K. kulatunga.
