## ACKNOWLEDGEMENT

I wish to express my sincere gratitude to the following persons, whose assistance to me during the study.

Special thanks to our year master who is the dissertation coordinator, senior lecturer Dr. Harsha Munasinghe for showing me the correct pathway to make effort successful.

I am grateful Landscape Archt. Susira Udalamaththa, my dissertation tutor for the unstinted support. I wish to extend my deep appreciation and gratitude to him for directing many aspects of this study, his precious time expended in this respect.

Prof. Samitha Manawadu Head of the department, Prof. Nimal De Silva, Landscape Archt. Shirani Balasuriya and Archt. Prassanna Liyanage Department of Architecture, University of Moratuwa, Sri Lanka. Electronic Theses & Dissertations  
www.ho.mru.ac.lk

I wish to thank for my beloved parents, my brothers who gave counsels, admonitions and exhorting me to make study best with standing by me always.

Finally I would like to memorize Kinkini and family, Thilanka, Shamali and my best friend and all others those who gave excellent assistance and make me encourage instigated on my study in Nemours ways to make this success.

Thank you

Hemamali Herath

## LIST OF CONTENTS

List of illustrations  
Introduction

<b>CHAPTER – 01</b>	<b>-</b>	<b>URBAN SPACE AND RESPONSIVENESS OF THE URBAN ENVIRONMENT</b>	
1.1.	-	What is an urban space?	01
		1.1.1. - space	01
		1.1.2. - Different attitudes towards urban space	02
		1.1.3. - Farmation of the urban space	04
		Socially	
		Physically	
1.2.	-	Urban space as place making	06
1.3.	-	Elements of the urban spaces in built environment	11
		Urban squares/ streetscapes/ monumental spaces	
		urban parks & open spaces	
1.4.	-	urban space as public gathering space	17
1.5.	-	Responsiveness of the urban environment	18
		Permeability/ Variety/ Robustness/ visual	
		appropriateness/Richness Personalization/ Legibility	
1.6.	-	Chapter Conclusion	20
		 Electronic Theses & Dissertations www.ho.mrt.ac.lk	
<b>CHAPTER – 02</b>	<b>-</b>	<b>LEGIBILITY OF THE URBAN SPACE</b>	
2.1.	-	Role of the image of legibility	21
2.2.	-	Involvement of constituents to legible the urban Space	22
		2.2.1. - Identity	23
		User	
		Physical setting/ enclosure	
		2.2.2. - Visual significance	25
		2.2.3. - Psychological implication	25
2.3.	-	Key physical elements of legibility	26
		Paths/ Nodes/ districts/ edges/ landmarks	
2.4.	-	Importance of legibility in urban space	32
2.5.	-	Chapter conclusion	33

<b>CHAPTER – 03</b>	<b>- THE ROLE OF LANDSCAPE IN URBAN SPACE</b>	
3.1.	- Components of landscape. Water/ trees/ paving and steps/ street furniture/signage etc. as landscape components	34
3.2.	- Elements and principles in landscape design.	43
3.3.	- Different approaches in landscape to enhance the Legibility Enhances Physical compatibility Beautification	49
3.4.	- The role of landscape in urban spaces to create the Legibility	55
	3.4.1. - urban squares	55
	3.4.2. - streetscape	60
	3.4.3. - Urban open space	64
	3.4.4. - Monumental space	68
3.5.	- Chapter Conclusion	70

**CHAPTER – 04**

**STUDY OF THE ROLE OF LANDSCAPE IN  
ENHANCING OF THE LEGIBILITY OF THE  
URBAN SPACE**

Theses & Dissertations  
www.lib.mrt.ac.lk

4.1.	- Basis for the selection of Case studies	71
4.2.	- Streetscapes	72
	4.2.1. - Bauddhloka mawatha - Colombo	72
	4.2.2. - Nawam Mawatha	79
4.3.	- Urban open space -	85
	4.3.1. - Galle face green – Colombo	85
4.4.	- Monumental spaces -	91
	4.4.1. - Independence square premises	91
	4.4.2. - New parliament premises – Sri Jayawardanapura, Kotte	96

Conclusion	101
Bibliography	103

## LIST OF ILLUSTRATIONS
