I must be grateful to the entire academic staff of the faculty of Architecture not only for their helping hands for the dissertation but also for the valuable knowledge which they offered me during the six years course study.

Archt. Varuna De Silva, Dr.Harsha Munasihge, for all the encouragement, inspiration and gentle guidance, given through the study without which this dissertation would have been a reality.

I would like to thank Prof. Chithra Wedikkara, dean faculty of architecture,

Prof.M.S. Monawadu, head of the department.

Archt. Jayanath Siva, and Archt. Arosha, year master of the 6th year.

I sincerely wish to thank Rashika Ayya, Chamara Ayya, Wijayarangan Ayya Dharshana and Samith for being with whenever help is needed.

Finally I thankfully memorize my colleagues especially Dayantha, Shamika, Nuwan, Sameera, Ranga, Anurudhdika, Chatu.

Finally I am indebted to my parents, brothers and sisters for their firm encouragement in my studies.
