Keynote Speaker Profile and Presentation brief

iv - v

	Abstract Title	Author Name/s	Page No.
Session 1A	Traffic Engineering and Safety		
1	Traffic Conflict Analysis for Pedestrian Crossings at Un-Signalized Pedestrian Crossings in Kandy	M.C.C. Abeyrathne Niranga Amarasingha	1
2	The Physical Components of Noise and Vibration of Rail Transit and its effects including control measures	Lakshmi Narayanan	3
3	A quantitative review on travel-time reliability measures	C. J. Vidanapathirana J. M. S. J. Bandara	5
4	Analysis of the Level of Safety of Public Transport in a 'Sustainable Development Goals' perspective in the national context	T. Thilakshan J.M.S.J. Bandara	7
5	Development of methodology to estimate trip attraction and parking demand for urban office developments: Case Study - Colombo	Madara Priyadarshanie H.R. Pasindu	9
Session 1B	Pavement Materials		
6	Effect of Styrene-Butadiene-Styrene (Sbs) on Mixing Process and Laying of Asphalt Concrete	W.K.Mampearachchi V.Varshihan	10
7	Sub Base Improvements by Stabilization Techniques using Waste Materials	T. Sathiyaparathan H.R. Pasindu	12
8	Thin lift asphalt concrete pavements for low volume roads	P.M.A.K Udayakantha W.K Mampearachchi	14
9	Evaluation of Rheological properties and performance of asphalt binder modified with Nano clay	Y.G.P.B. Shantha W. K. Mampearachchi S.U. Adikary	16
10	Feasibility study of using industrial waste as an internal curing aggregate for rigid pavements	K. I. Pradeep T. Tharshigan W. K. Mampearachchi	18
Session 2A	Transport Planning		
11	Logit Choice Model for Boat Passenger Transportation in Colombo, Sri Lanka	Kaushalya S.M.D G.L.D.I. De Silva	20
12	The Evaluation of factors influencing Cycle trips in a heritage City. A Case Study on Cycling Tourist in Anuradhapura Sacred City	S.S. Wanniarachchi G.L.D.I. de Silva	21
13	A review on Demand Responsive Transportation System	Randeniya R. D. S. S. Perera W. U. L. D. P Anburuvel A.	23
14	Development of Bus Service Reliability Measures at the Stop Level	A.H.S. Sharic J.M.S.J. Bandara	25

15	A GIS based methodology to redistribute Macro Level Origin Destination data based on the Land use	Oshadhi Weerasinghe J.M.S.J. Bandara	26
16	Barriers in Modal Integration: The Case of Rail and Bus Transportation in Sri Lanka	Yapa Mahinda Bandara Tharaka Rathnayake	29
17	Formulation of a National Framework for the Digital Transformation of Sri Lanka's Public Bus Transport System	V. R. Dunuwila J.A.D.C.A. Jayakody Shashika Lokuliyana	31
Session 2B	Highway Engineering		
18	Optimization of Anti-Glare Block Spacing in Expressways	W.G.A.D Dharmarathna H.R Pasindu	33
19	Development of Pavement Condition Prediction Model for National Highways	R.M.K.Sandamal H.R.Pasindu	35
20	Development Of International Roughness Index Prediction Model For Road Pavements In Sri Lanka	E.P.N. Karunaratna H.R. Pasindu	37
21	Measurement of Road Surface Undulations using a Low Cost Accelerometer Sensor	A.W.C. Chamikara H.R. Pasindu	39
22	A Study of the Performance of Passing Climbing Lanes along Colombo – Rathnapura – Wellawaya – Batticaloa Road	Ekneligoda D.M G.L.D.I. De Silva	41
23	Effect of Heavy Vehicles on performance of 'Colombo – Katunayake' Expressway	S.A.A.K.K Subasingha W.K. Mampearachchi	43
24	Analysis of Fundamental Factors affecting fuel economy of Light Duty vehicles	S.P. Gajanayaka A.G.T. Sugathapala J.M.S.J. Bandara	45
	Poster Presentation		
25	A Study of Finding Choice Model for Class Wise Railway Passenger Demand for Sri Lanka Railways	P.D.S.B. Chandrasena G.L.D.I De Silva	47
26	Improving Pedestrian Movements at Congested Urban Area: A Case Study of the Rathnapura Town	C.S. Punchihewa J.M.S.J. Bandara	49
27	Criteria to Identify candidate roads for Public Private Partnership development	K. Tharmakulasingham H.R. Pasindu	51
28	Evaluation of Traffic Forecasting Accuracy in Road Projects in Sri Lanka	D. Rajakaruna H.R Pasindu	53
29	Accident Analysis on A9 road section from Elephant Pass to Pallai	Sivagumar V. Bandara J.M.S.J	54
30	Characteristics of School Trips in Colombo	M.J. Mishael Niranga Amarasingha	56
31	Decade of Action for Road Safety: Trends in Road Accidents, Sri Lanka	R.K.T.K. Ranawaka H.R. Pasindu	57
32	Development of Stop Times file for General Transit Feed Specification (GTFS) format in the context of Western Province Bus Transits	B.H.A. Mendis G.L.D.I. De Silva	59

33	Development of General Transit Feed Specification data for Sri Lanka	P.D.L. Fernando B. H. A. Mendis K. D. P. Damsara S.P. Kumarage G.L.D.I De Silva	61
34	A Methodology to Develop a Demand Model for School trips in Western Province	K.D.P. Damsara G.L.D.I. De Silva R.M.N.T. Sirisoma	63
35	Open-source implementation of environmental monitoring system.	Nilantha Premakumara	65
36	Identification of hydroplaning risk areas in Expressways: Case study on the Southern Expressway, Sri Lanka	T.K. Nawaratne H.R. Pasindu	66
37	Study on Road Surface Noise of Asphalt Pavements	R.M.J.R.Thibbotuwawa G.L.D.I. De Silva	67
38	A review on Alternative Pavement Construction Materials	Panagoda P. V. V. I Herath H. M. D. M. Anburuvel A.	69
39	Identify possible solutions and develop criteria to review geometric designs to avoid safety issues created by surface water in Expressways	S.S.Kumara H.R.Pasindu	71
