ABSTRACT	vii
INTRODUCTION	01
CHAPTER ONE : UNDER UTILISATION OF URBAN SPACES	06
1.1 Urban space	06
1.2 Urban space in third world cities	07
1.3 Urbanisation and under utilisation of urban spaces	09
1.3.1 The under utilisation of urban space	09
1.3.2 Evolvement of under utilized spaces in the city.	12
1.3.3 Use and misuse of urban space	16
1.3.4 Usage of land	18
1.4 Impact on policies for underutilization	18
1.5 Under-utilized space which creates negative effects in urban space	19
1.6 Identifying the potential in under utilized urban spaces.	20
CHAPTER TWO : PHILOSOPHIES AND THEORIES ON URBAN PUBLIC SPACE	23
2.1 Philosophies and theories on urban space	23
2.2 Urban public space	37
2.2.1 The values of urban public life	39
2.2.2 Human dimensions of public life	41
2.3 'Urban Void' as urban public space	42
2.3.1 'Urban Void' as positive urban space	42
2.3.2 'Urban Void' as vest pocket park	43

	<u>Page</u>
CHAPTER THREE : SPATIAL ATTRIBUTES AND SOCIAL CHARACTERISTICS OF URBAN SPACE	49
<u>Part One - Spatial Attributes of Human Space</u>	49
3.1 Proximity as centre	50
3.1.1 Sense of place in urban context	51
3.1.2 Composition of space as centre	52
3.2 The enclosure	52
3.2.1 Elements of enclosure	56
3.2.2 Sense of scale in urban context	60
3.3 Principle of continuity in form of rhythmic movement	61
<u>Part Two - Social characteristics of urban space</u>	64
CHAPTER FOUR : POTENTIAL OF URBAN VOIDS IN COLOMBO - SELECTED EXAMPLES	71
4.1 Introduction	71
4.2 Basis for review	71
4.2.1 Historical evaluation of the city centre	75
4.2.2 Land use	75
4.3 Basis of selection of reviews	77
4.3.1 Review one	78
Lost space due to increased dependence on the automobile and change of mode of transportation	
4.3.2 Review two	89
Lost space due to change in land use	
4.3.3 Review three	97
Attributes of the society and the professional bodies	
CONCLUSION	114
BIBLIOGRAPHY	117

ACKNOWLEDGEMENT

To those people who have helped me in the dissertation to whom I owe a special debt of gratitude.

Dr. L. S. R. Perera, my tutor for his guidance, incisive comments and valuable criticism, who helped me much by giving pace to develop my thoughts and an approach to this study. I am extremely grateful for his help and appreciate the time and efforts extended to me in carrying out the study.

Arch. Vidura Sri Nammuni, senior lecturer to whom I am grateful for his encouragement offered at the onset of the study.

Special thanks to Arch. Piyal Silva for providing me with numerous information.

My sincere thanks to Arch. Zanhari for his tremendous dedication and guidance.

Special thanks to IP and the staff of the Pettah police station for the permission given me for taking photographs around Pettah, Fort and Maradana area.

I am grateful to my friends Muthu and Chitrani for valuable comments and encouragement and Kashi and Yasangi for their tremendous help.

I am also grateful to Hemantha Akka and Dilani Akka for their valuable comments.

To Indika, for spending his precious time for taking photographs.

My heartfelt gratitude to Pradhepa Akka, Prasanna Aiya, Loku Amma and their family for helping me when I badly needed them.

To my parents, Loku Aiya and Punchi Aiya for their whole hearted support.

Finally, to Keerthi for giving me encouragement and spending his precious time throughout the study.
