Electronic Theses & Dissertations
IN TOWN AND COUNTRY PLANNING.

S. VIDANAGAMACHCHI.

MAY, 1981

ACKNOWLEDGMENT

I take this opportunity to acknowledge on those who have given the assistance in various ways to complete this study. I sincerely thank the people of the Dematagoda and Panchikawatte areas for giving me their co-operation and assistance to carryout the field survey.

I wish to express my gratitude to Professor Willie Mendis, Professor and Head of the Department and Staff of Town and Country Planning, University of Moratuwa, for their help and co-operation. Particularly I owe a great debt and wish to express my deep gratitude to my supervisor, Mr. A. D. S. Perera, Senior Lecturer, Department of Town and Country Planning, University of Moratuwa for his fullest co-operation, guidance, comments and suggestions given to me in order to make this study a success.

Finally I thank Mr. Bernard Fernando for typing this document.
